New Album Cover & Details for Nuclear BlastMetal on the Rocks is the fifth studio album by the legendary Austrian power metal band RIOT, scheduled to be released on the 24th of July 2017. The album will feature frontman Matthias Steigerwald on vocals, guitarist and founding member André Meertens on lead guitar, and keyboardist and founder Dieter Rubach on both keyboards and backing vocals. Second guitar is handled by Marcus Stieritz, who comes from the revered bands Shabbat, Honour and Twilight. Former members Henning Basquiat (bass) and Eike Freese (drums) rejoin RIOT as full-time members.Recorded, mixed and mastered at the band's 'Doppelgänger' studio in Kapfenberg, Austria, Metal on the Rocks' pure power metal metal is laced with bombast and bombast, offering exhilarating riffs and soaring choruses on songs like 'Armageddon Is Coming', 'Strike First', 'Letters from Hell' and 'The Silence Is Killing Me'.This is the first RIOT album to feature Steigerwald on vocal duties since his departure from the band back in 1994 and metalheads that are looking forward to the new album will receive their opportunity to be there to witness the debut of an all-new Matthias Steigerwald, set to be released after Metal on the Rocks. Matthias Steigerwald – "Now we can unleash our eleven new songs! With this release we are stepping a bit further into the unknown. I am a self-proclaimed perfectionist when it comes to my songs, so this time there are a lot of changes and improvements to this body of work. I hope you enjoy this new and different R.I.O.T.! #RIOTmetal" So with the new album out there's no doubt the hype will be piling up and if you missed the opportunity to catch the band live in Australia last time 09e8f5149f
