Story of Painkiller Hell & Damnation: The story of Painkiller Hell & Damnation starts in the year 2024, when the War on Pain rages on. Painkiller Hell & Damnation The War on Pain is a continuous campaign (long story) between humans and the 'Screamers'. The Screamers were created by the Elites: alien lifeforms, which are the source of the War on Pain. The elite have evolved to the point where they can directly control human bodies. Thousands of people are captured by the Screamers, tortured, and ultimately experimented on for their entire lives as Screamers. When the Screamers finally die and the people they were experimenting on as pure-blood humans naturally die, the world is left on the verge of total extinction. The Elites want revenge for what humans did to their world. In the year 2041, the War on Pain is a continuous campaign between humans and the Screamers. Only a handful of human resistance fighters remain alive. Story of Pain
