: Zippyshare.com : Who's Online. : Transcript Englishman's Scotsman What are the technical and non-technical variables that affect copyright and intellectual property law issues in the business environment? What are the compliance and liability issues for using Intellectual Property on the Internet? I'm a lawyer and an intellectual property law expert. I am also a real life lawyer. I work in IP law - including copyright, trademark and unfair competition, worldwide. I have a law degree and a business degree. I am also an attorney and a business consultant. I'm a trademark lawyer - technical legal expertise. I am also a regular client in Intellectual Property law - I do both prosecution and defense work. I represent technology companies as well as individual inventors. No matter what your industry is, chances are I have experience in it, and can advise you or your organization. I am willing and able to provide free, no obligation advice and a free consultation to your organization. - I'm all things to all people: I can take care of your problems. I'm also a people person, and enjoy helping clients grow their businesses. I enjoy the networking that comes with working on the Internet - I am part of a large law practice, and know my clients and colleagues. I am willing and able to travel within the UK. I'm a one-stop-shop for all your legal needs. Visit my website: www.E-Law.com Please contact me for help with legal problems. No strings attached - I just give an initial hour of free advice. No need to attend a meeting with me or give me anything. You get my email address, and you are done. All I ask is that you stay in touch to keep me informed on what's going on for you. I'm a one-stop-shop for all your legal needs. I am willing and able to provide free, no obligation advice and a free consultation to your organization. RattlingNewsVideo Being a law student, in the heart of law school and a firm that caters to the technology savvy and aspiring class. you'd figure that I'd be overjoyed by what I know now as the internet.. i think we can 3e33713323
