Galway City, Ireland. It is an EU-funded Heritage Park for Ireland and a project of the National Parks and Wildlife Service. The park has trees of over 60 different species. Trees include oak, ash, hazel and lime. The park also has holly, alder, bird cherry, rhododendron and blackberry. The park is a popular playground for families and a walking route for dog-walkers. References Category:Parks in County GalwayWorst The girls were great, but the family that owns the place is the best. They really pay attention to detail and keep things clean. I went there because the first couple of times we tried another place, they found holes in the kitchen floor. And when we went back there for dinner with another group of people I had a fall in the kitchen because there were holes in the kitchen floor again. We have never had any problems with the floor in the dining room. Best Prices on Food, and they serve the food fast. I used to work as a manager at another restaurant and there I learned that customer service is everything. They will never EVER put a customer down, in fact, if you have a complaint, that manager will be right there to make it right. The meals are
