What's New in the Greeting Card Builder?

Greeting Card Builder is a nice app that can bring out the creativity in anyone. It's an app you should definitely try, especially if you're in the market for a tool that helps you put together some personalized cards,

newsletters, pamphlets, and more. As a player, you can use it to create your own cards, such as a Happy New Year greeting card, a new baby card, or a greeting card for your sweetheart. The back of the cards can be personalized, too. You can choose various model greetings from our huge database, and you can even add your own text. Publisher Chiara D'Amato Chiara D'Amato is a "phoenix from the ashes" of a designer who suddenly died in a tragic accident. Chiara had the luck to work in USA in a USA corporation for 20 years, then she moved to Italy. Chiara started to blog in 2008 and launched multiple websites, as well as various social networks. Starting from the end of 2012 Chiara creates E-business websites on the basis of her international experience.
