Mediafire.com is a fast and easy way to share your files with friends, family, and the world, via email and the web. About us Mediafire is a file sharing service operated by Mediafire, Inc., which is located in San Francisco. Not to be outdone by the Pink Power Meter, the CBC's own Catherine McDonald has decided to promote herself as the "Pink Gravitas Power

Meter". She has not yet reported on her time on the slopes, but she has confirmed that she will be wearing a pink hat. While the Pink Power Meter has attracted its fair share of criticism – mostly from "metronomists and bearded men" – there is a strange fascination with the woman who apparently spends all day skiing. Yesterday, I went to MacDonald Hall to watch

the women's downhill.
When it was lunchtime, I asked a few other women, "So, is it true that they are all skiing, eating and reading all day, and that's what they do for four weeks at a time?" A tiny number of the women on the hill, though, chose to make their own decisions about what to do, and went into the canteen to eat their lunch. But they were outnumbered by those who

went to the arena to watch
the men take to the slopes.

Those who didn't ski
(mostly men) watched on
TV. I don't know if any of
them were inspired to head
