I am wondering how to check the current version of ckeditor? A: JSFiddle Try: if(CKEDITOR!== undefined){ alert('Oops! This code will only work with the latest CKEditor version (3.5.0+)!'); } else { alert('Yay!'); } In the last 24 hours, BTOB has been receiving the highest amount of hate and has received the most negative comments. The controversy surrounding the negative comments made on Soya's image uploaded to SBS 'We Got Married' recently surfaced on the internet, and the negative comments are said to have been by people living in Gyeonggi Province. Yura recently posted a message on the 'Today' broadcast's official Twitter account in response to the issue, saying, "I apologize for everything that happened and regret it. It's an issue I've been wanting to solve but have been unable to. I will make efforts to make up for everything I've done and will make Soya feel that way, too. I apologize for causing you worry and pain to my family and all members. I promise that I will be an even better member 0cc13bf012
