## Protel Dxp 2004 Full Version

Description: Ebix Asia Office, the leading reseller and distributor of engineering products and solutions throughout South East Asia, announced today that the Australian ESL extension of its global network will open at the world famous Macquarie Park Hotel in Sydney, Australia. The new ESL branch office will provide an extensive range of engineering products and services to customers in Australia. Providing products and engineering support to local engineering companies will ensure a local presence at the leading edge of technology in Australia. The new ESL branch office will accommodate operations in the East, West, South and North Eastern Australia. This enables Ebix to provide clients with one point of contact for the whole country. The new branch will have an established and qualified engineering team to provide engineering services such as electronics and electromechanical design, mechanical design, test, training and PLC programming to South East Asia engineering firms. "We are excited to have opened the ESL Australian branch office," said Mr Jason Riggs, Director of Business Development, for Australia and New Zealand. "Australia has been a very important market for Ebix over the years and ESL has been established in Australia for many years. The new ESL branch office in Australia will provide support to current ESL customers as well as new customers, creating a presence for us in Australia and presenting another option for design and engineering work in the region." Jason Riggs continued, "What is exciting for me is that the ESL branch office will be at the world's leading Macquarie Park Hotel, which is recognised as the best hotel in Sydney. The four-star hotel has long been the hotel of choice for the world's leading business, government and political leaders. Jason concluded, "I would like to thank Peter West for all of his hard work in establishing the new ESL branch office in Australia and I wish him a happy retirement." The new ESL branch office is open today (19 August 2010) and is open Mon-Fri from 8:30am-5:30pm and Saturday 8:30am-12:00pm. For more details or to visit the ESL branch office in the Macquarie Park Hotel, call 03-9686 7275. About Ebix Ebix Asia is a leading engineering solutions distributor in Southeast Asia. With an established and long term history, Ebix Asia has positioned itself as a one stop shop provider of engineering solutions, providing a full range of products, from electronics and electromechanical design and manufacture, through to automated 0cc13bf012
