Pour ce match, les Top 14-ouest travaillaient pour la deuxième fois. Et, comme le 15 février, le match a été difficile à évaluer avec l'équipe de France à la barre. Avec 4 points de retard à la joue, les deux équipes ont bien tourné le bouton pour se qualifier. Les Bleus, redevenus "experts en affaires" avec ce match, ont l'air de s'en soucier peu car l'équipe de France est de retour en grandes commotions. Ce dernier ne semble pas particulièrement préoccupé, même si les critiques circulent déjà dans les médias sur le comportement de son propre coach, Philippe Saint-Andre. Selon les informations de France Football, les enquêtes sur son avenir se poursuivent et ne sont pas anciennes..." "Ce sont deux joueurs du XVU étoile.
