The ideal of beauty has come down to a very simple thing: the perfect white smile. You are basically living out your dreams here, since your child will have the most flawless, perfect teeth in the world, and in the end, your child will have a full head of straight white teeth. They have become great measures of people's popularity, their popularity, their charm, their personality and many other factors. Many of those things can be directly linked to the smile on their face – the perfect white smile! Let's take a look at some of the unique features of a perfect smile. 1. Characteristic features: The characteristic features of a perfect white smile are its perfect contour, minor tooth crowding and minor tooth gaps. The perfect smile is close to the maximum smile height, from the top of the tooth that is closest to the ears to the lower border of the mandible. It should clearly have all the characteristics that define a great smile. The first characteristics of a perfect smile is the perfect contour or shape of the smile. Here, the teeth in the bottom row are well aligned with the teeth on the top row. Sometimes, in some children, minor tooth crowding can be present. But this situation usually goes away as the child grows into adulthood, when the teeth get straightened out. Tooth crowding in itself is not a problem, but if it is coupled with a gap between the teeth, then something is definitely wrong. Minor tooth gaps or spaces are another great feature of a perfect white smile. When the teeth do not have a gap in between them, there is something wrong with the teeth or with the dental arch. 2. Redundancy: The second characteristic feature of a perfect smile is the presence of tooth gaps, which is commonly called redundancy. When a child has a perfect white smile, you can see that the teeth are well spaced out and are aligned. Here, the upper and lower dental arches are well aligned and have a perfect shape. The tooth gaps are present, yet no misalignment is present. 3. Color: The third feature of a perfect white smile is
