Boobs and Bouncing in The Sims 4! Okay  
so first I wanted to give a quick warning  
because I am not a modder and this mod  
is not very complete. Here is the mod file:  
How to use it. Go to the game files and  
create a new folder on your desktop.  
Then you need to copy all files into that  
folder. The file you need is called  
xbox\game\content\21\sim.xml. Copy that  
file into the new folder. If it does not  
work, c6a93da74d
