additional installation instructions only for steam users: 1. install all parts of the mod as instructed above. 2. open steam/steamapps/common/medieval ii total war/mods. there you will find all your installed kingdoms campaigns as well as the third\_age\_3 modfolder. 3. edit the name of one of the kingdoms folders (americas, britannia, crusades, teutonic), preferably your least favorite campaign. the new name doesn't have to be anything specific. 4. change the name of the third\_age\_3 folder to the former name of the kingdoms folder you just edited. for example, if you edited the americas folder, the third\_age\_3 folder should be named americas. 5. steam will now launch the mod. if you have installed 3.0 or 3.1 and renamed your folders before you have installed the 3.2 patch: - if you have already renamed the third\_age\_3 folder to one of your 'kingdoms' campaigns (for example to americas) install the patch normally. - after the installation, move the files of the newly created third\_age\_3 folder to the renamed folder manually. (for example cut the content of the text folder from the newly created third\_age\_3 folder and paste it into the text folder of your americas folder.) note : the models\_missile folder has to be copied to the normal../medieval ii total war/data folder! - the third\_age folder can now be deleted. additional installation instructions only for steam users: 1. install all parts of the mod as instructed above. 2. open steam/steamapps/common/medieval ii total war/mods. there you will find all your installed kingdoms campaigns as well as the third\_age\_3 modfolder. 3. edit the name of one of the kingdoms folders (americas, britannia, crusades, teutonic), preferably your least favorite campaign. the new name doesn't have to be anything specific. 4. change the name of the third\_age\_3 folder to the former name of the kingdoms folder you just edited. 5ec8ef588b
